

PRAISE
Unlimited!

The logo is centered on a light-colored, textured background. It features a dark green diamond shape. The word "PRAISE" is written in a large, bold, black serif font with a white outline, positioned across the top half of the diamond. A treble clef is integrated into the letter "I". Below "PRAISE", the word "Unlimited!" is written in a smaller, bold, black serif font with a white outline. To the right of the diamond, there is an illustration of an open book with musical notation on its pages. Several musical notes are scattered around the diamond and the book.

What is Praise Unlimited Ministries

Praise Unlimited Ministries is a Maryland based minority micro-enterprise established in 1994 by Pastor Steve Turner. Today, it has flourished beyond being the “on-call” organist, providing a wide range of services. Gospel music is what we know, do, and love. There is always something new that can be discovered in worshiping God in almost everything you do. Praise Unlimited Ministries is committed to ministering and serving as a vessel to musically feed your soul. From soloists to gospel comedians, a creativity and anointing is what our artists possess and bringing them to your event or service will take you to the next level of gospel and praise. Giving God all the praise and glory is exactly what we do!

The Man Behind the Music

Pastor Steve began playing at the age of 4 and studied classical music until the age of 15, to include voice, piano and organ. He has become one of Baltimore's most astute Minister of Music and well-known within the realms of the Christian community. Throughout his gospel career, he has focused on what has inspired him as being a god-fearing man and a minister of music, his gift of speaking to the soul of others through song and praise. Among his many achievements, Pastor Steve has served as Assistant Minister of Music at Mt. Calvary Church of America for 14 years and providing on-call services to other community churches, which also include serving as an organist @ Washington Temple. To add to his achievements, he served as a keyboardist for the recording gospel group, The Bells of Joy for 4 years and the first to organize talent shows at the FBI for the Combined Charities Federal program for recruiting and scouting talent.
