Taking people into the presence of God through music and word is what has allowed him to deliver souls to the Kingdom and change lives for a lifetime. He is a prolific Pastor, Author and Musician that sees the world and his place in it as an opportunity to show others the glory, honor and magnificence of who the Lord is.

MEET THE AUTHOR

THE OTHER PULPIT

OVERVIEW

The Other Pulpit is an inspired writing that is long overdue. This book is released to set free and inspire others about the power of forgiveness. We are a nation of forgotten and discarded children of illicit affairs and relationships, in the church. We were unable to be raised in the same home or even be acknowledged by society or the church at large. We were left behind without the means, perhaps only to survive. All of us saw great cathedrals and dynasties created for their first families and other favored cliques. We were outcast as spiritual lepers. We received only what was considered the emotional scraps off the table. We are like casualties of war, we were....left for dead....come and experience *THE OTHER PULPIT*
