Your host, Pastor Steve Turner, began his musical career at the age of 4. He studied classical music until the age of 15, to include voice, piano and organ. He has become one of Baltimore's most astute Minister of Music and well-known within the realms of the Christian community. Throughout his gospel career, Pastor Steve has focused on what has inspired him as being a god-fearing man and a minister of music, his gift of speaking to the soul of others through song and praise. Now he is tackling community topics, that others dare to share. Asking the tough questions, sharing his views and those of others who have appeared on his talk show, Elevation Radio1.
